About:

Specializing in Graphic Design, Layout Design, Branding and much more. Considerable diverse experience and an extensive skills set as you will see in the resumé below. My design background is extensive. I am a graduate of Parsons School of Design, but the thrust of my design sense and software knowledge comes from hands-on experience in the fields of printing, graphic design and web design. I am Mac literate and have an excellent grasp of printing and web software disciplines.

Please visit my on-line portfolio at **www.designbyadriana.com**. I appreciate your time and consideration. Feel free to contact me if you are interested in discussing a remote (preferred) or local part-time in-office position.

Completely Macintosh literate. I have full working knowledge of Mac OS (Big Sur).
